

Please be in front of your dorm with your boxes at your scheduled pick up time. We cannot go into the dorms to pick up your storage. (Exception: If it is raining, please have your boxes ready to go in the dorm lobby.)

- Clearly write your name on your boxes.
- Please do not leave your boxes unattended. You must be with your boxes when we pick up.

Additional Storage: You may add more storage if you wish. You may use your own containers or purchase boxes from our store. Our standard 18"x18"x18" box costs \$60 to store for the summer. Smaller boxes will cost less, larger boxes will cost more. We will determine the exact cost of additional storage at pick-up time and will bill your credit card.

Insurance: We will ask you about insurance at the time of your pickup. Each box is automatically insured up to \$100. After that, insurance costs \$2 for each \$100 of value. We will bill your credit card for the insurance.

Refrigerators must be completely defrosted. Unplug your refrigerator at least 24 hours prior to your pick up time. Refrigerators do not need to be boxed.

Thank you for your business.
We look forward to serving you!
